Full Time Experience

Under the Real Estate Law, an applicant for broker license must have at least two years of *active full-time experience* as a licensed real estate salesperson or the equivalent. The experience must be gained during the five-year period immediately preceding the date of application. Possession of a salesperson license without actual licensed experience is not sufficient to meet the experience requirement.

Full time experience means at least 40 hours per week. If applicant worked less than 40 hours per week, credit is granted on a prorated basis. Time is not awarded if applicant devoted less than 10 hours per week. If applicant had any other employment, it must be set forth where indicated even though 40 or less hours are devoted to an employing broker.

Equivalent Experience

Applications for equivalent experience by an unlicensed person must be submitted on an Equivalent Experience Verification (RE 227) form. Refer to the *Instructions To License Applicants* brochure for more information.

Employment Certifications

If it is impossible to secure certifications of employment from former employing brokers, the applicant must complete the Employment Verification (RE 226) in full and indicate the reason why applicant could not obtain broker's signature in the space labeled "Signature of Certifying Broker" (i.e., deceased, litigation, etc.). The applicant must also attach *at least two* Employment Certification forms (RE 228) from persons in a position to attest to applicant's experience and activity. ***Out-of-state brokers who are self-employed may also use this format, since we cannot accept an applicant's own verification.***
